**FOR IMMEDIATE RELEASE**

**PRIVATE DONOR AND SONY BRING MOVIES FOR HEARING IMPAIRED TO ENZIAN**

**Orlando, FL** (June 7, 2016) – Enzian is pleased to announce that long-time supporter Clinton Foulk generously funded the purchase of Sony closed-caption glasses for Enzian patrons. Sony provided the technology at a non-profit discount.

These glasses will provide a better viewing experience at Enzian for the hearing impaired, as they provide the user with captions that appear on the lower-third of the glasses. The glasses will be available for use on films that are closed-captioned, which will be indicated on [Enzian.org](http://Enzian.org).

“With two new screens and caption glasses for the hard-of-hearing (like me), I’m looking forward to a vastly improved Enzian Theater,” said Foulk.

Enzian Chairman Sigrid Tiedtke said, “Mr. Foulk has made a profound, personal contribution to Enzian. Sony has met his generosity and together their gift will open the world of great cinema to the hearing impaired. We are delighted and grateful.”
