

## EVENTS AT EDEN BAR

Surrounded by weeping oaks, a bubbling fountain, and a beautiful courtyard, Enzian is a unique location for corporate meetings, networking events, birthday parties, Bar and Bat Mitzvahs, anniversaries, and many other special occasions.

Enzian's catering philosophy honors culinary traditions while embracing the creativity and individuality that is signature of all of Enzian. The Eden Bar, a full service, beer, wine, and liquor bar located on Enzian's property, offers the perfect rental space for a happy hour event, birthday dinner, and countless other celebrations. Eden Bar opens at 11AM, seven days a week!

Eden Bar offers a relaxing experience of an outdoor restaurant while providing a unique atmosphere that only Enzian can offer. Eden Bar's fountain area is used to host large parties, networking groups, and other private events. The fountain area is a secluded part of our Eden Bar that is surrounded by weeping oaks and charming lights. We are unable to make reservations at the bar area due its public nature. Typically our fountain area can only seat about 25 people for dinner accommodations. If you would like to have a networking/ happy hour event we can typically hold up to 35-45 people without being over crowded.
