Considered by many to be one of Italian horror maestro Mario Bava's best, this occult murder mystery skillfully interweaves elements of the 'giallo' thriller formula with a creepy Gothic ghost story. In order to free the village from this evil curse, the local sorceress (Fabienne Dali) must find and destroy the vengeful Baroness Graps (Gianni Vivaldi), who along with the ghost of her murdered daughter, seek to claim the villagers' souls in retribution (with pretty Erica Blanc next on the list).
