Saturday, November 3rd at 11AM

Director Douglas Tirola's *Brewmaster* artfully captures the craftsmanship, passion, and innovation within the beer industry. The story follows a young ambitious New York lawyer who dreams of becoming a brewmaster and a Milwaukee based professional beer educator as he attempts to become a Master Cicerone. Helping tell the story of beer are some of the best known personalities in the industry including Garret Oliver, Jim Koch, Vaclav Berka, Ray Daniels, Charles Papazian and Randy Mosher. *Brewmaster* creates a cinematic portrait of beer, those who love it, those who make it and those who are hustling to make their mark.

Stick around after the film for a panel discussion about the art of brewing beer, featuring Mike Wallace from Ten10 Brewing Co., Jeanna Malines from Black Cauldron Brewing, and Christopher Esser from Sanford Brewing Company.
