WHAT: [National Theatre Live: All About Eve](#)

Saturday, September 7th at 11AM

Gillian Anderson (*X-Files*, NT Live: *A Streetcar Named Desire*) and Lily James (*Downton Abbey*, *Baby Driver*) lead in *All About Eve*, recorded live and screened to cinemas from the West End in London.

All About Eve tells the story of Margo Channing. Legend. True star of the theatre. The spotlight is hers, always has been. But now there's Eve. Her biggest fan. Young, beautiful Eve. The golden girl, the girl next door. But you know all about Eve...don't you...?

Lifting the curtain on a world of jealousy and ambition, this new production, from one of the world's most innovative theatre directors, Ivo van Hove (*Network*, NT Live: *A View from the Bridge*), asks why our fascination with celebrity, youth and identity never seems to get old.

Adapted by Ivo van Hove from the 1950 Twentieth Century Fox film by Joseph L Mankiewicz and the play "The Wisdom of Eve" by Mary Orr. Ivo van Hove directs this new stage version with set and lighting design from Jan Versweyveld, costume design by An D'Huys and music from double Mercury Prize-winner PJ Harvey, alongside Tom Gibbons' sound design. Casting is by Julia Horan CDG.

National Theatre Live: Fleabag

Sunday, October 27th at 11AM

See the hilarious, award-winning, one-woman show that inspired the BBC's hit TV series *Fleabag*, currently nominated for 11 Emmy Awards!

Written and performed by Phoebe Waller-Bridge (*Fleabag*, *Killing Eve*) as the title character and directed by Vicky Jones, *Fleabag* is a rip-roaring look at some sort of woman living her sort of life.

Fleabag may seem oversexed, emotionally unfiltered and self-obsessed, but that's just the tip of the iceberg. With family and friendships under strain and a guinea pig café struggling to keep afloat, Fleabag suddenly finds herself with nothing to lose.

Playing to sold-out audiences in New York and London, don't miss your chance to see this 'legitimately hilarious show' (New Yorker), recorded live and screened to a cinema near you.

Fleabag: The Scriptures by Phoebe Waller-Bridge comes out November 5, available everywhere books are sold. Thanks to Penguin Random House Books, we will be raffling off a few copies at the screening! To learn more about *Fleabag: The Scriptures*, please click [here](#).

National Theatre Live: The Lehman Trilogy

Saturday, November 30th at 11AM

The story of a family and a company that changed the world, told in three parts on a single evening.

Academy Award-winner Sam Mendes (*Skyfall*, *The Ferryman*) directs Simon Russell Beale, Adam Godley and Ben Miles who play the Lehman Brothers, their sons and grandsons.

On a cold September morning in 1844 a young man from Bavaria stands on a New York dockside. Dreaming of a new life in the new world. He is joined by his two brothers and an American epic begins.

163 years later, the firm they establish – Lehman Brothers – spectacularly collapses into bankruptcy, and triggers the largest financial crisis in history.

This critically acclaimed and five-time Olivier Award nominated play features stunning set design from Es Devlin (NT Live: *Hamlet*) and will be recorded live from London's West End as part of National Theatre Live's 10th Birthday season.
