FOR IMMEDIATE RELEASE

ENZIAN THEATER TO CLOSE THROUGH APRIL 2 IN RESPONSE TO COVID-19

Orlando, FL – (March 16, 2020) – Given the recently recommended Centers for Disease Control and Prevention (CDC) guidelines, Enzian Theater has made the difficult but necessary decision to suspend operations and cancel all programming effective tomorrow, March 17, through Thursday, April 2. Administrative staff and the Enzian Board of Directors will continue to monitor the situation daily, and make adjustments accordingly. Enzian will tentatively reopen Friday, April 3, premiering [The Climb](#).

All individual tickets purchased for any Enzian programming between March 17 – April 2 will be automatically refunded within the next 7-10 business days. To contact the Box Office, please email us at boxoffice@enzian.org. Employees will be working remotely during the theater's closure. Our physical box office will be closed.

"We believe this is the best course of action to ensure the safety of our patrons and our staff," said Janie Pope, director of development and public relations. "As a 501(c)(3) organization, the temporary closure of both our theater and Eden Bar is not without financial burden. We are very grateful to our supporters, and appreciate any contributions made to help Enzian and its staff during this time."

Donations may be made to Enzian Theater through the United Arts Collaborative Campaign for the arts. To donate, click [here](#). All donations are matched by 15% through the end of April.
